LIABILITY RELEASE FOR

Copper Country Mineral Retreat 2008

Hosted by the Michigan Technological University's A. E. Seaman Mineral Museum

Please read and sign below. Your registration is not complete until this Liability Release is received.

The Copper Country Mineral Retreat 2008 can be considered a physical activity that could be hazardous. As a participant, I agree to conduct myself in a responsible manner, to act safely and to follow any rules, procedures or instructions.

I affirm that I am in good health, have the physical ability and capacity to participate in, and have the skills and the knowledge to safely use all equipment for this activity. I also understand that protective gear must be worn to participate in this activity to help limit the possibility of injury but acknowledge that even with such equipment injury is still possible. I agree that I am free to not participate in the activity if I am not willing to assume all such risks.

I hereby release and agree to hold harmless and indemnify Michigan Technological University, its Board of Control, officers, organizers/coordinators, its employees, and designates, and Red Metal Explorations from and against any and all claims and causes of action arising out of my participation in the Copper Country Mineral Retreat 2008 or any personal and/or bodily injury, including death, incurred while participating in the Copper Country Mineral Retreat 2008. I agree to assume all risks of injury or death.
